

Establish Formal Goal of Diversity

WMNF's Mission Statement drives our station's diverse content: We are a listener-supported community radio station that celebrates cultural diversity and is committed to equality, peace and economic justice. WMNF provides broadcasts with a grassroots local emphasis that promote creative, musical, and political vitality.

Diversity Eligibility

WMNF has a long-established goal of diversity within the station's volunteers, management, and Board of Directors. WMNF posts its open Board of Directors positions on various public media lists serving the Tampa Bay Community. The same applies to all open positions in WMNF's workforce.

The WMNF Board of Directors is currently seeking new members for our 2021-22 fiscal year, which begins October 1st, 2021. Our station is reaching out to local organizations and is routinely seeking inclusion on our air waves.

Implementing formal goal of diversity

1. WMNF has a Board-chaired Diversity Committee, made up of Board, Staff, and Volunteers. The Diversity Committee's formal goals are to:
 - Ensure that WMNF fairly represents the community that it serves.
 - Promote participation in station governance and functioning by persons of all ethnic, racial, religious and gender identities and sexual orientations. This includes staff members, volunteers, Nathan B Stubblefield Board of Directors members, financial contributors, and listeners who share the values represented in the WMNF Mission Statement.
 - Identify underrepresented community groups and promote participation by members of those groups through outreach and other means.
